

Update: May 05, 2020

Attention: all Winnipeg Harvest Patrons utilizing BNC Food Bank

All Harvest Food Bank Pick-ups have been changed by Winnipeg Harvest from a regular two-week pick-up to a one month pick up.

What does this mean?

If you have picked up your Community Harvest once in the month your name will not be on the list in two weeks. If your name is not on the list, it will be on the list in following two weeks time.

Winnipeg Harvest has reduced their food bank frequency to accommodate the many new people in the community in need during COVID-19. The amount given is what they can provide for a one-month supply. Once we've made it through this pandemic, food bank schedules will return to a normal bi-weekly pick-up.

Upcoming Winnipeg Harvest Food Bank Dates:

May 19, June 02, June 16, June 30- 2020
