

UPDATE # 3 - BROADWAY NEIGHBOURHOOD RESPONSE COVID-19

May 07, 2020

Many changes have come about in the last few months, we've experienced rapid closures and now this week marked the *First Phase* of our province loosening restrictions and reopening certain outdoor recreation facilities, retail businesses and non-essential health services.

The Broadway Neighbourhood Centre (BNC) Team has made many adjustments and found our ebb and flow through these challenging times. We are proud to say we've adapted where we can and have worked to ensure we are trying to meet the needs of the West Broadway Community area along with our community partners.

At this time, unfortunately the BNC facility will remain closed to the public as we are not listed under the first phase of loosening restrictions and we are following provincial guidelines as indicated. Our top priority is maintaining the safety and well-being of our children, youth and community members. The BNC is an Indoor Recreation Facility which typically conducts group /social gatherings, at a time where social distancing is still a mandatory practice, we must follow suit and open when it is safe to do so. This may not be included in the *Second Phase* of reopening, it will most likely be during *Future Phases*. Please visit www.gov.mb.ca for the most current information regarding provincial restrictions and COVID-19 updates. With that being said, we **MISS ALL OF YOU!!!** We hope that our BNC Family is staying safe and practicing safety measures to ensure we all stay healthy; this will bring us back together sooner!

Check out our website www.thebnc.ca for all our current updates, pics with our thriving community partnerships during closure and don't forget to visit our **Facebook page**: Broadway Neighbourhood Centre or check us out on **Instagram** #broadwayneighbourhoodcntr. Drop us a message if you want to chat or if you have any questions. If you need to speak to someone directly you can email infothebnc@gmail.com or spatch600@gmail.com.

“We wanted to express a HUGE thank you to all community partners who continue to work along-side us through these unprecedented times, thank you to the community members, children and youth who make up the BNC family - for your patience, and for practicing safety measures, to the BNC Staff who continue to be front-line workers in the community, who are working remotely and staff who are patiently waiting to return to work..... we see and recognize you all...we miss you all and we will get through this together and apart.” – BNC TEAM ❤️
